3M™ Paint Protection Film Training (BASIC Course)

Energy Products Distribution is a 3M-Certified Training Facility, meaning that after passing our three day training course, you will be certified and endorsed* by 3M Company to install 3M Scotchgard™ Paint Protection Film. Our training course includes:

- Day 1: Classroom training where you learn about the history, evolution, marketing, financial opportunity, and competitive environment of the product. **(9223 Harford Road, Baltimore, MD 21234)**
- Day 2: Hands-on training where you install pre-cut kits on various hoods, bumpers, fenders, and mirrors.
 - 2008 Mini Cooper Hood, 2008 Toyota Yaris Bumper, 2008 Honda Accord Bumper, 2008 Honda Ridgeline Front Clip, 2007 Honda S2000 **(4208 Fitch Avenue, Baltimore, MD 21236)**
- Day 3: Hands-on training where you install pre-cut kits on various hoods, bumpers, fenders, and mirrors. Complete written test. Complete trainee satisfaction form. **(4208 Fitch Avenue, Baltimore, MD 21236)**
 - 2008 Mini Cooper Hood, 2008 Toyota Yaris Bumper, 2008 Honda Accord Bumper, 2008 Honda Ridgeline Front Clip, 2007 Honda S2000

*You must purchase at least \$1,000.00 of 3M Scotchgard™ Paint Protection Film per quarter to maintain your endorsement on 3M's website.

Training begins at 9:00 AM Eastern each day and usually ends around 5:00 PM Eastern. Lunch is provided each day.

Training Fee: \$1,095.00 / person (includes installation tools, Pressure on Demand, and 3M-branded apparel)

You are required to demonstrate proficiency at installation as well as pass a written test to achieve 3M certification. If you do not achieve certification, you are welcomed to come back to a future training session for \$595.00. (Note: Installation tools, Pressure on Demand, and 3M-branded apparel are not included in the re-training session.)

Day 1 begins at our office (9223 Harford Road, Baltimore, MD 21234). Days 2 & 3 begin at our training facility (4208 Fitch Avenue, Baltimore, MD 21236).
